TOBACCO CESSATION & SUBSTANCE USE

EXPLORING CHANGE - BREMERTON
This class provides an opportunity for Veterans to evaluate their substance use and its role in their lives, whether or not they have current plans to make changes. This four-week closed group includes non-judgmental feedback, peer and provider support, and a structure for Veterans to set their own goals - all with a focus upon reducing harm from substance use and other risky behaviors. Abstinence from substances is not a requirement for attending this group, although it might be an appropriate goal for some. Activities might include discussions, questionnaires, objective feedback, values exploration, goal-setting, and relapse prevention.
Contact Kathryn Johnson, LICSW: (360) 473-0366.

HOME TELEHEALTH FOR TOBACCO CESSATION
The Home Telehealth Program helps to support you while you quit using tobacco through daily questions and health tips in the comfort of your own home. Registered Nurse Care Coordinators routinely monitor the information that you are sending in and call you to talk about your symptoms and progress. There is no charge for Home Telehealth services. For more information contact Rebecca Cutler, BSN, RN: (206) 303-0958.

HERO’S JOURNEY HOME – SEATTLE
This 10-session class looks at the return home as a cultural transition from the military to civilian world using the steps of the “hero’s journey” as described by American scholar of world religions, Joseph Campbell. We use stories and movies to help veterans identify ways that they can be of continued service as veteran-civilians bringing back valuable skills and knowledge to society. Whether you are just out of the service, or have been out for years—the journey home can be a long road and the hero’s journey can provide a road map for the steps that lie ahead. Next class starts in January 2018. Meets for ten weekly sessions, Mondays, 2:00pm–3:30pm. Contact Jenny Salmon, RN: (206) 277-1178
